6:00pm to 9:00pm - Doors open at 4:30pm

Ten professional English riders will team up and switch horses with ten professional Western riders to compete in each other's discipline. The Western riders will complete a timed jump course and the English riders will perform a reining pattern and work a cow! In the past, the riders have included Olympians, National and World Champions in their respective disciplines. It's great to watch such accomplished riders competing in another riding style.

Event will be held at the Ocala Equestrian Complex
1601 SW 60th Avenue, Ocala, FL 34474
